

Ada Kiwanis Club Scholarship Application

Eligibility for this award is limited to only those students who were permanent residents within the Ada Exempted Village Schools at the time of their high school graduation. Scholarships are available to qualified high school graduates desiring to pursue a two-year or technical school education. Scholarship recipients must begin their education at an accredited institution during the fall following receivership of this award. Applications will be judged on academic grades, leadership qualities, school related activities, community involvement, self-improvement, financial need and personal character.

Applications are due April 1st. Scholarship recipients must request their award from the club, in writing, to the Club Secretary, providing documentation of enrollment on or before October 1.
